2013 EQUIFEST BOOTH

The Kansas Western Horseman's Association was greatly represented at the 2013 Equifest held in Wichita, KS this February. We had many volunteers from across the state of Kansas help promote our great association. The KWAH booth showed off many different awards that have been given out over the years. There were picture and video presentations that highlighted many of the riders and events that we commonly run. There was also a Kansas map depicting the locations of the current KWAH saddle clubs along with a flier that was handed out describing the association history and member clubs contact information. Koozies with our logo and KWAH Facebook page information were given to all that stopped by to chat about our association. Thank you to all the volunteers that helped make this show a great success. A special thank you goes out to Heather and Roland Schreibvogel, Asa Galloway, Jeremy and Jeni Petersen, Brandon Pratt and Rance Schreibvogel for the extra effort making sure that everything was set up and ran smoothly.
